

The radio station we listen to is K-Love which is on a FM translator, this station is a great service to our community by giving us music and comments to listen to that are in no way offensive, we do not need to worry about children listening to this station. If this station were to be replaced by and LPFM broadcaster we would loose the moral guidance that is given by this station to many people who may not hear any good words other than those that are on this radio station. Please keep the FM translator in this area so that we can continue to have K-Love. Thank You.
